Foreword

This year, as in other years, the yearbook's main purpose is to give the students an accurate account of the activities of the past year. In addition, the staff and I have tried to present to you a few new concepts in graphic presentation.

We would like to acknowledge our adviser, Mr. Dan Fukushima, and our professional photographers, Mr. Ernie Umemoto and Mr. Frank Nunes.

The staff went to work early this year and combined their individual talents to bring to you what we feel is one of the best yearbooks in the history of our school.

It remains for you to read and enjoy the 1972 Argus. We hope that in the years to come, you will remember this year at James Lick a little bit better because we have captured happenings of the 1971-72 school year in the book.

Take care of this yearbook—there are a lot of us in it.

Editor-in-Chief

Dedication

When Miss Joyce Oyama graduated from James Lick in 1957, a top scholar and winner of the coveted GAA award, little did she dream that some day she would return to her Alma Mater to add to her laurels as a teacher.

In the eight years that she has been at James Lick as an instructor in art, homemaking and mathematics, she has found time to handle general arrangements for student, faculty and athletic department banquets. She has been a vital part of East Side Teachers Association functions, and has been an adviser to freshman and sophomore classes.

In 1969 when she was named Teacher of the Year, the clock had made a full turn, and she had made her mark at James Lick as a student and as a teacher.

For her long time service to the faculty and students of James Lick High School, we dedicate the 1972 Argus to Miss Joyce Oyama.

In Gratitude

We, the staff of the 1972 Argus, would like to dedicate this page to Mr. Dan Fukushima, who over the years at James Lick has proved to the school and to the district that he is one of our more competent and dedicated faculty members.

Through his years at James Lick, he has, with his vast knowledge of the journalistic field, advised the Observer and the Argus publications. Only a few years ago did he forfeit the position of adviser of the Observer. He still advises the Argus and has shown us his great patience and talents.

Mr. Fukushima has been active in coaching as well as teaching English during his career at Lick. His devotion to basketball and the boys who participated has resulted in many successful seasons.

Mr. Fukushima has dedicated many hours of time and worry to the James Lick Invitational Tournament.

In reward for his diligent work at our school, we proudly dedicate this page to a man most deserving, Mr. Dan Fukushima.

Mr. Fukushima speaks at Exchange Club dinner.

History will chronicle that the 1971-72 year of James Lick High School was an outstanding year from every point of view. We will all look back twenty-five years from now with a memory that was marked by unrest among young adults; when too often the drug was used as an escape; when patriotism towards a school was thought to be somthing of the past; when the entire scheme of things seemed to be turned around.

This year there appeared to be a dawn on the horizon. One could feel the pendulum swing back; a revival of school spirit; a quickening of interest in extracurricular activities; a genuinely friendly atmosphere; and a reappraisal of values. We can only hope that nostalgic memories will record that Anno Domini 1971-72 was a good year for James Lick High School.

The Class of 1972 arrives for the first day

We Arrived . . .

Like all other freshmen classes we started out apprehensive and excited. The frustrating experiences of trying to locate rooms, remember locker combinations, and meeting new people bewildered us as we started our four years at James Lick High School.

We elected Dolores Castillo to lead us through our first semester.

As Homecoming rolled around we found ourselves wrapped up in all the festivities and we produced a first place float.

Second semester Larry Baldasano was elected as president and led us through our final days as frosh

We Competed . . .

With one year behind us we returned to James Lick in September. With more self confidence we faced our second year of classes. Peter Zavlaris was elected to serve as fall semester class president.

Many of our fellow students were proving themselves in sports and in ASB activities.

In our Sophomore year the nation faced the hard reality of the death of former United States President Dwight D. Eisenhower.

Don Okasaki was elected as spring semester class president. We built our booth for Carnival Day in the shape of a Pepsi can and sold soft drinks. The booth received second place honors. As our second year was ending we ordered our class rings and looked forward to being upperclassmen

Spirit Squad Elections

Convention '70

Testing in the library

Russell and Frank in biology

We had Spirit . . .

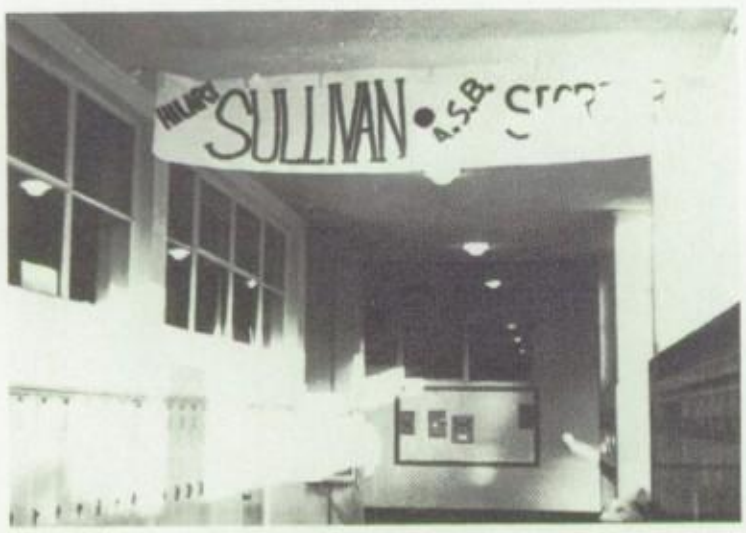
At last we were upperclassmen. We began our junior year with anticipation. Larry Baldasano once again served our class as president with Miss Joyce Oyama as advisor.

We were soon in the swing of things and faced every challenge with determination.

As Homecoming festivities began we participated in rallys and showed our spirit. Our float, which was dedicated to quarterback Bill Espino who was hospitalized, took second place honors.

With the coming of spring we planned our junior prom, Fontana D'Amore. Connie Longoria escorted by Roland Perez was crowned queen.

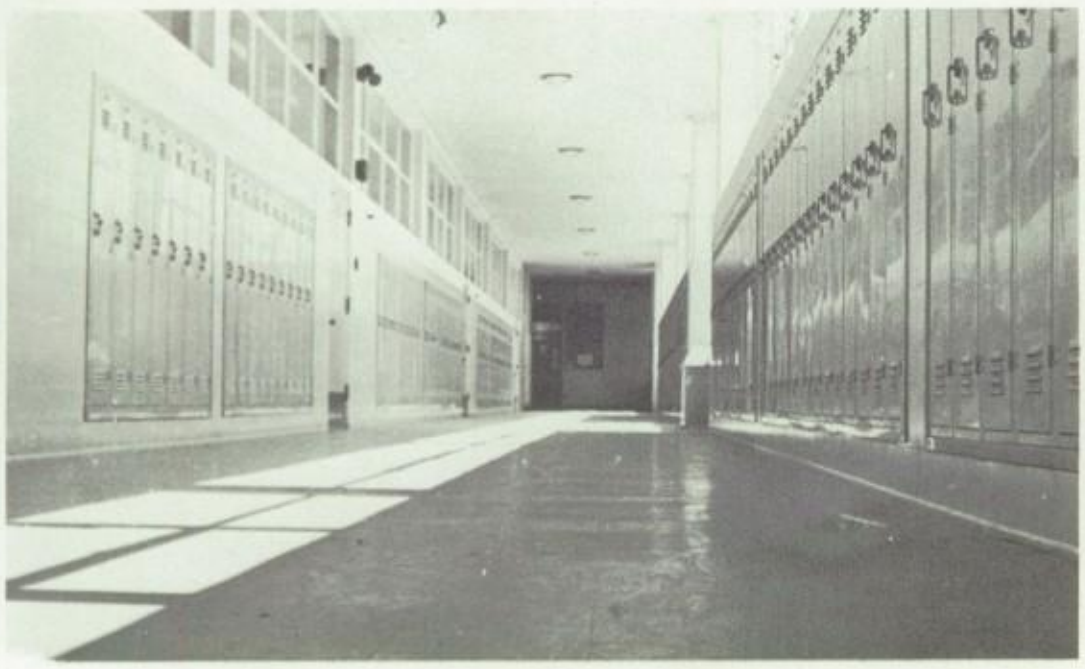
As the year came to an end our determination, hard work, and spirit garnered us the Spirit Trophy as we let our dreams wander to being Seniors.



The Party is Over . . .

Seniors at last! We returned to Lick in September for our final year with Dan Wehner serving as Senior class president.

As Homecoming approached the building of the float began under the supervision of Brad Buscho. For the second time the Class of '72 had built a first place float, Pat the Patriots.



The varsity football team won the MHAL title and went on to become second place in the county championships. MHAL titles were brought home by many sports during the year. Dan Lloyd and Bob Ceglio garnered first place awards in the Nor Cal wrestling tournament.

With December came the ordering of graduation announcements and the taking of senior pictures. The year was half over.

To help the sagging class treasury we set out to sell room fresheners and raise money through car washes.

Semester graduation left two class offices vacant. Brad Buscho was elected as second semester vice president and Sylvia Araujo was elected as treasurer.

The coming of spring brought about plans for the Senior Ball - La Soiree est Finie, held at Marine World in Redwood City.

The much anticipated night of graduation at last arrived. James Lick's class of 1972 now faced the outside world.

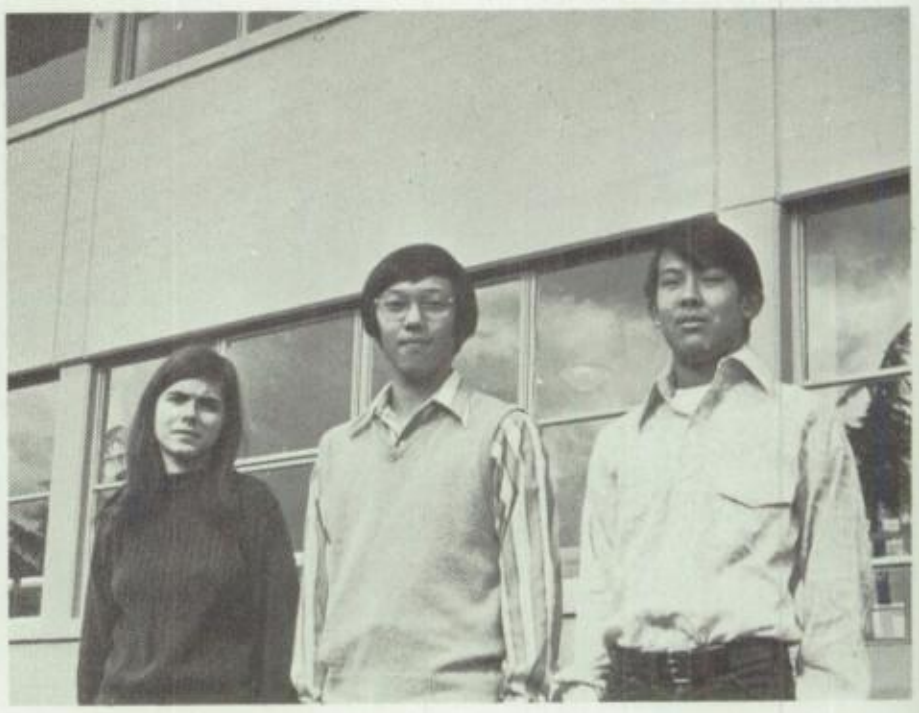
It's half past



time . . .

IRST SEMESTER OFFICERS: Tim Takeda, presi-ent; Sue Mace, secretary; Doug Volz, vice president; ue Hoshino, treasurer. Left, SECOND SEMESTER FFICERS: Sheila Freitas, president; Dean Inami, ce president; Tim Takeda, treasurer. Francie Adams, ecretary, is not in picture. Top Left, snow comes to ast Foothills. Lonely guitarist picks a tune... Sophs athered in the quad like everyone else to socialize and ke their chances at the food machines. Soph officers romised a new and vitalized sophomore class as con-tuents waited for things to start moving. It was, for ophomores, an all right year.

1971 MHAL County

Overcoming heartbreaking injuries to key personnel in a tremendous comeback, the Comets defeated Silver Creek to tie for the MHAL title and then repeated their conquest of the vaunted Raiders to claim the MHAL championship and the right to represent the league in the County playoffs.

In the first round, the Comets faced a gigantic Fremont Indian team, but when the smoke of battle had cleared away, the gutty Comets had proved equal to the challenge, and they left the field with the

The victory was a costly one in which Harold Fulton, top scorer in the MHAL, left the contest early in the first quarter with a broken ankle.

On the following Friday, the Comets returned to Spartan Stadium to challenge Saratoga for the County crown.

Lick's hopes for the County title and the Jim Plunkett Trophy came to an end as the Saratoga Falcons took a 26 to 14 victory.

The Comet varsity opened its league schedule against Oak Grove on the opponents' field. By the end of the afternoon the Green and White had served notice that this was a team that could win the league title. The final score was Lick 34, Oak Grove 6. Sam Buchanan ran for an 80-yard touchdown, Dave Ferreria's 50-yard punt return, the running of Darryl Williams and Harold Fulton, the passing of Bill Espino and the linebacking of Dan Lloyd made the Comets appear to be a beautifully balanced offensive unit.

In the second outing it was the hard-nosed defensive unit that sparkled. It held Piedmont Hills scoreless while the offense put 26 points on the board.

The third game was a night encounter against Overfelt. Despite their fine play, Overfelt fell to the Comets 14-8. The Comets learned from this game and corrected errors which would not happen again.

The next contest was on the Mt. Pleasant gridiron and the Green and White triumphed by a score of 26 to 19. The close score belied the contest which saw the Comets in command all the way.

Hill was the next victim. This game was to be the showdown against last year's champs. When it was over Hill succumbed by a score of 20 to 0.

Due to injuries in the backfield the Comets failed to generate an offense and therefore dropped its only league game to a fired up Ayer team 14 to 8. Fulton and Williams saw little action.

Now in second place the varsity felt the pressure. Their championship was in question. The next opponent was a strong Milpitas team which was also in second place. The Comets put on the pressure and came out winning 14 to 0.

Now the stage was set for a titanic with Silver Creek who was undefeated for the season. This was to be an all or nothing effort for James Lick, a situation where a win by Silver Creek would give them the title; however a win for the Comets would mean that Lick would have to play Silver Creek again for the league Championship. The varsity team rose to the occasion. The final score was Lick 28 Silver Creek 20.

Fighting lack of depth and experience, the jayvees under the tutelage of coaches Ken Linhares and George Penn went to work and carved out a respectable 5-4 league record.

Kal Dorr was the top defensive player, and his efforts earned for him a first team all-league berth. Fullback Jim Honea was the ace running back, and he was accorded second team all-league honors.

Quarterback Dave Calderon was the most valuable back on the squad and John Vasquez was the most valuable lineman. José Acosta was also singled out for second team all-league as a linebacker.

Coach Linhares looks forward to a good season next year because some good sophomores return in addition to promising freshmen up from the frosh team.

Season Roundup

This year's Frosh Football team won six games and lost three. It was the best record ever compiled by a Lick frosh football team. The Comet frosh averaged 21 points per game. Their shutouts included Piedmont Hills 18-0, Overfelt 36-0, and Hill 32-0. The biggest win of the year was a 26-6 victory over previously unbeaten Ayer. The loss of Chris Winkle hurt the Comets' chances for a championship. In the first five games, Winkle averaged over five yards per carry and scored seven touchdowns. Manual Palacios was voted the league's Most Valuable lineman. Linebacker John King was also first team all-league. Defensive end Dennis Heads and wingback John Andreoli were second team picks. On offense, tight end Bob O'Dell, center Pat Moran, and halfback Mike Johnson were first team all-league. Guard Bill Webster also made second team.

Fullback Tony Jasso was an inspiration to the team, averaging over four yards per carry and scoring four touchdowns.

"Frosh gridders demonstrated unusual poise and gained much valuable experience," declared coach Dick Barrett.

Varsity

The defending CCS champions lost many of their experienced runners through graduation.

In a rebuilding year the Comets ran two exceptional matches against Hill and Ayer. These were to be the only victories in league competition for the harriers.

Although it was a dismal season, Coach Antes is very optimistic about next year's team, because the Frosh captured the league title and every man on the Varsity squad returns for a promising season.

Competing for the Comets this year were Bob Amaro (top runner), Dennis Cameli, Joe Gonzales, Jim Carranza, and Lew Melino.

Junior Varsity

The Jayvees finished the MHAL with a 3-6 record, defeating Hill, Milpitas and Ayer.

Leading the Comet squad was Jeff Dempsey, the most valuable runner, Paul Souza, Rich Sena, Jess Aguilar and Tony Mezzapelle.

Coach Antes anticipated for a good JV squad next year because he will have most of his runners back and experienced.

MHAL Champions

Frosh Squad

Freshmen capped their season by winning the league title with an 8-1 record. They took second in MHAL dual meets, fifth in Region III and fourth in the Central Coast Section.

Comets were led by Adolfo Alvarado, the most valuable runner, Lou Chevarria, Rich Handy, Russ Jackson, Dennis Dimick, Greg Jolley and Trent Garrison.

Says Coach Antes, "Hard work paid off, and will continue to pay off for these young runners who gave it all they had."

Varsity Wrap-up

The James Lick Waterpolo team had a most unique characteristic, unity. Although picked to finish low in the standings the Green and White turned the tide and went virtually uncontested to the league championship.

The Comets were led offensively by Blake Hinman, the league's leading scorer, and Paul Parker, the league's second top scorer.

Defense was the largest contributing factor to this year's success. Led by goalie Paul Bruno, Steve McCoid and Dan Wehner the aquamen gave up only 4 goals per contest in league competition.

The Comets picked for the all-league teams were Blake Hinman, league MVP, Paul Parker, first team, and Dan Wehner, a second team choice.

Returning lettermen Scott Hinman, Steve Prelsnik, Steve Ratzliff, Steve Tyndall, Max Williams, Ron Okagaki should make the Comets a title contender in 1972.

Lick cagers hoped to open the season with three returning regulars—Dave Castillo, Ken Hartsough, and Harold Fulton, but the latter suffered a broken ankle in football and was lost to the squad.

Castillo, Hartsough and Bill Watts made up the front line with Mark Mather working his way into the pivot. Gene Carvalho, up from the frosh-shop ranks then teamed with Hartsough at guard. From the outset it was apparent that the Comets would not be able to generate enough scoring with but two shooters. The lack of a third scoring threat hurt the Comets all year.

Castillo had his best ever scoring stint against Palma at the Alisal Tourney with a 32 point game. Hartsough tanked 34 against an obliging Mt. Pleasant team. Castillo and Hartsough were named to all-tourney teams in two tournaments. Hartsough was also named to the first team All-MHAL for the second year.

Lick came within a hair of gaining the finals of the Lick Invitational when they were nipped by champion Woodside in the final second of play in the semi-finals. The Comets then nabbed third place by whipping favored Sunnyvale, 56-44.

The locals found Piedmont Hills hospitality to their liking and opened league play with an upset win over the Pirates, and then upended them again 60-47, to high light the season. After a series of close losses, Lick came to life to outplay Region III champion Silver Creek all the way to the final five seconds, only to drop that decision, 53-51.

When the smoke of battle cleared, and the season came to a close, Lick had suffered its second losing season in 16 years.

Mark Mather, junior center, found himself, and hit a lifetime high of 20 points against Piedmont due mainly to brilliant feeds by Hartsough. A natural forward, Petrovich earned a starting berth as guard and finished the season in fine fashion.

Bill Moreno, an all around performer, was always ready to play, and was a valuable player. He came into basketball right out of football, but he gave it all he had. Darryl Williams, another football player, was counted on to man one of the guard spots, but he reported with a leg injury and did not round into shape until late in the season.

Doing a fine job all season as she did last year was Lynn Okagaki, an efficient scorekeeper.

JV Highlights

After losing five out of their first seven games the JV's made an about face and won seven of their last ten encounters including a victory over once beaten Milpitas. Coach Miller credited this surge mainly to the return of floor leader Mike Itatani who missed ten games due to a broken ankle. This strong finish placed the Comets fourth in league play with an 8-6 record behind Piedmont, Milpitas and Silver Creek.

Although constantly outsized by opponents on the boards the rebounding and aggressive defensive play of Kal Dorr and Frank Guerra kept the Comets in every game.

This year's balanced scoring was led by Joey Damiano with a 10.5 average with many coming from long range. He also received support from Daryl Ishizaki and Frank Sumner.

Next year's Junior Varsity has much to look forward to due to the fact that only two players were juniors and therefore valuable experience was gained by many sophomores.

Frosh Round-up

In his first year of coaching Frosh basketball, coach Steve McClung guided the yearlings to an overall 7-5 log. In league play the Comets garnered third place with a respectable 5-4 record.

Highlights of the season included a thrilling 23-22 victory over Bellarmine, a 40-28 drubbing of Sunnyvale and an impressive league win over Mt. Pleasant.

The success of the Freshman basketball team was due to individual sacrifice, team hustle and a will to win placed with general team improvement.

Individual honors were garnered by Dennis Heads Most Valuable Player, Dan Santo Outstanding Player and Dave Ramos Most Improved.

Co-captains for the 1971-72 season were Tony Castillo and Steve Borello.

Varsity Soccer

The soccer men in spite of their record had a representative season. The Comets were 2-7 in league play but were close in many of their contests.

Coach Marfull stated the team's biggest problem was poor defensive play but with the return of Fernando Serrano who was first team all league and Miguel Maciel a second team choice and one of the league's top scorers.

Next year's outlook is bright due to the fact that some good JV players will be coming up to combine with some returning lettermen to make the Comets a team to be reckoned with.

Frosh Soph Team

The Frosh-Soph Soccer team ended the season with a 3-4-2 league record and a 4-6-3 overall record. This was very respectable considering the fact that many sophomores were playing on the Varsity team. The high point of the season was a tie with the league champ Yerba Buena, 1-1.

Outstanding players were captain Tony Jasso, Joe Zuniga (scored 8 goals in league play) Refugio Rios, Heino Diehl, and Sal

Varsity Season

In a record setting season the grapplers garnered six invitational tournament titles, more than any wrestling team in the history of the school.

After a tremendous pre-season showing the Comets began to take apart the league opponents. Picked as co-favorites to win the MHAL title, the defending champions never looked back as they went undefeated through conference competition and set a league record in the finals by scoring 108 points. The next match for the Green and White was the Central Coast Section Tournament. Again they put it together and came out second behind a strong Cupertino team. Bob Ceglio, Dan Lloyd and Kyle Helmhout placed high and earned the right to participate in the Nor-Cal Invitational at Hayward State College. Lloyd and Ceglio captured weight division titles and brought home a third place team trophy.

Next year's grapplers also look like strong contenders with seven returning lettermen and some good prospects coming up from the frosh soph.

Dan Lloyd stamped himself as one of the premier grapplers in the country as he notched 32 wins against 0 defeats in taking on all comers in the 191-lb. division.

Frosh-Soph Team

The frosh soph wrestlers opened the season in resounding fashion by winning their first six matches with four of them being league contests. The 5-3-1 record claimed by the young Comets placed them fourth in the MHAL. The Novice and Silver Creek Invitational tournaments were won by the junior grapplers. This year's leading wrestlers were Bob Bonzales, Sergio Pina, Danny Martinez, and Brian Brickman. Coach Nash stated that the team had fun and gained valuable experience from participation in a great sport.

Varsity Season

Following a rebuilding year in 1971, Coach Barrett's netters came on to win three of their first four MHAL matches with their only loss coming to Andrew Hill. Carried in the singles division by Jim Adams and sophomore Roland Padilla, both having only one loss, the Comets have been close in all of their contests. The doubles combo of Mark Mather and Scott Holt have helped the consistency of the team by losing only one while winning three.

Coach Barrett credited the team's success to strenous workouts and self-determination by the participants.

Next year's team should be another fine one as ten lettermen will be returning

Varsity Season

The defending MHAL Champions were very young and inexperienced. Having only one senior on the team the hackers managed to win their first three league matches handily. In their opening match the Comets used a combined team effort to rout the Oak Grove Eagles 25-7. Senior Pete Zavlaris led the charge by firing a 76 while Bud Hewitt and Steve Washabaugh tied for second with 82.

The second league outing was much the same as the first with Lick coming out on top 27-5. Again it was the consistent play of Zavlaris and Hewitt as they shot 75 and 77 respectively.

After two relatively easy contests the duffers had to dig down deep and come up with some clutch shots to overcome the Mt Pleasant Cardinals 19-14 on the losers home course.

The second victory against arch rival Piedmont Hills was a great morale lifter.

Varsity Swimming

The Varsity swimming team was blessed with some outstanding competitors this season. The team was made up of four seniors and two juniors and three sophomores. This group went through the league with little trouble until Oak Grove, who offered very stiff competition. The swimming contingent led by Randy Budros and the four seniors Blake Hinman, Steve McCoid, Dan Wehner and Paul Parker.

The Lick divers offered the best one-two punch in the league with Don Tirado and John Barrett, both juniors.

Frosh Soph Swimming

The frosh-soph aquamen were a very strong team even though only three sophomores participated. This year's team was bolstered by sophomores Max Williams, Steve Tyndall and Garry Gong. Bruce Goedde is the top freshman swimmer on the team. Coach Rutherford's crew may not have won the title this year but the maturing of these freshmen should bring a title in the future.

Varsity Coach Smith carries on Lick winning tradition through dedication and hard work.

Varsity Baseball

During early season play the Lick diamondmen showed promise and established themselves as a definite contender for its third straight MHAL title. Leading the Comet attack were seniors Harold Fulton and co-captains Bill Espino and Larry Baldasano. The perennially strong pitching staff was anchored this season by Senior Dave Castillo with support from Sophomore Jaime Gallindo and junior Ron Leggett. All have turned in excellent performances on the mound for the Comets this year.

Coach Korbel also received consistent play from infielders Dave Gonzales and Art Silva and from outfielders Odell Ward, Bob Lopez and Paul Souza. The maturing of this teams sophomores and juniors should make the Comets a contender in years to come.

At press time, Piedmont Hills was leading the league but Lick's depth kept them in position to defend the loop title which was in James Lick's possession for the past two seasons.

JV Baseball

After being undefeated in their first four league contests the JV's showed that they were a very explosive team. Led by Tim Woodside with a .535 batting average and a very tight defense headed by Jay Amaral, Art Ruiz, Damian Leal, and Ralph Cruz. The combination of these two assets have led to some disasters for their opponents such as a 10-1 crushing of Milpitas and a 19-2 trouncing of San Jose High. Mark Takeda, Lewis Meline and Norris Hirota comprised one of the best outfields in the league as they allowed only one extra base hit in the first 8 games of the season.

This seasons fine pitching staff composed of Ted Arterberry, Gary Blackburn and Dave Calderon had a fine receiver in freshman Tony Castillo.

As the book went to press, the jayvees were sporting a 5-0 league log.

Frosh Baseball

The Comet yearlings started in slow fashion but with their optimistic attitude they hoped to change the outcome of the remainder of the season. Refusing to yield, the gutty Comets were in every game including contests with keen competition.

Pitcher Gene Ingram, first baseman Dennis Heads, catcher Dennis Demmick and centerfielder Jim Ronaro have been outstanding in their positions in the field as well at at bat.

Coach Scully commented that there were outstanding performances but were not able to put them together in a team effort. Many of the individuals on the club are good prospects for the JV's next year.

Varsity Track

The Comet cindermen were strong in all events but their strength came in the running events. The 440 relay team of George Alferez, Sam Buchanan, Art Guarscio and Fernando Serrano have been outstanding in early season with a 44.3 clocking. There are three events in which they placed high in the section: Dan Lloyd put the shot 55' 5 ½" for a school record and fourth in CCS the mile relay team has a respectable of 3:29.9, fourth in Central Coast, Bob Amaro went the 880 distance in 1:58.3 which placed him third in the Central Coast.

Jerry Nobles is a top point getter for the Comets in the polevault with his best of 11' 9".

Frosh Soph Track

The frosh-soph track team led by Bob Odell and Tim Kawaguchi had good individual performances but lack of support from others hurt their chances for a championship. Odel set a school record in the discus with a 131' 6" toss. Tim Kawaguchi the club's top long jumper and triple jumper adds many points also.

In the distance events the green and white have two outstanding runners in Jim Carranza and Dennis Camile. Coach Linhares stated that both have the potential to be record breaking runners in the mile and two mile events.

District Water Ballet

This year, the G.A.A. Water Ballet team combined their top members with those of the other schools of the district. On May 18th and 19th they displayed their talents and hard work at the Oak Grove High School swimming pool. The theme of this first all-district swim show was "It's a Small World."

The participants from James Lick were: Francie Adams, Carolyn Araiza, Gwen Baker, Jennelle Bassone, Ruth Lancaster, Patsy Munoz, Marcia Nelson, Michele Nelson, Sue Reynaud, Abby Rosenberg, Robin Towse, Debbie Tyndall, Alex Wass.

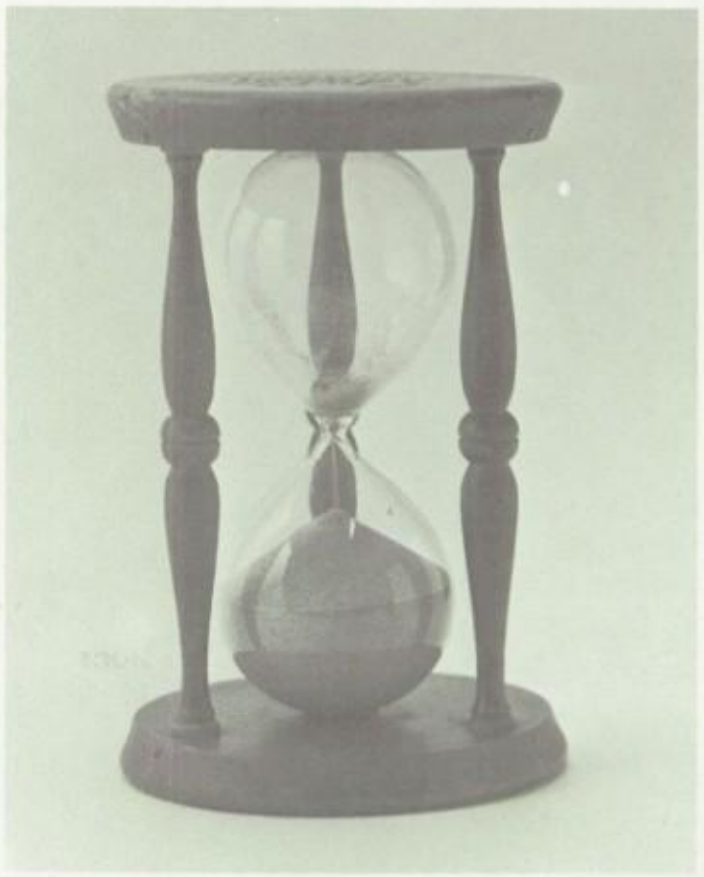
At Last Time Has Run Out

Photo deadlines, copy deadlines, the million things that had to be done . . . it's all over now. The hassle with kids, with teachers, with one another . . . we thought it would never end. But now, imagine our relief. Here it is, the end of the line. We have tried to put together a book you will treasure. It's time for us to leave. The sands of time have run out . . .



Staff celebrates after final copy has been sent to printers. How's the yearbook? It's like a wake . . . remains to be seen.
